STATEMENT OF SUBSTANCE OF INTERVIEW

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313

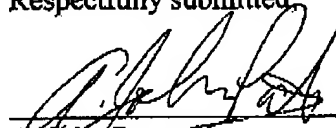

Sir:

Applicant expresses appreciation for the personal interview granted by the examiner on October 17, 2007. During the interview, the merits of the pending claims were discussed in view of the prior art of record and, in particular, Nakamura. Applicant discussed with the examiner the nature of Applicant's invention and asserted that the claims, as amended by the supplemental amendment filed September 20, 2007, avoided the prior art of record. The examiner agreed that

the currently pending claims appeared to distinguish over the prior art of record, but stated that further searching would be required.

DATED this 24th day of October, 2007.

Respectfully submitted,

A. John Pate
